and the chance to achieve complete wellbeing.

# SAADIYAT ISLAND LIVING

Wellbeing begins here, on a natural island complete with turquoise waters, white-sand beaches and enriching experiences on every corner. For those looking for another kind of enlightenment, the inspiring Cultural District is home to Zayed National Museum, Guggenheim Abu Dhabi, Louvre Abu Dhabi and Saadiyat Grove. A lifestyle destination that is redefining the UAE's role in global culture and holistic health.

Open your mind to inspiration at Saadiyat Grove. An ever-evolving, ever-invigorating destination at the heart of the island that makes pedigreed art and culture a part of life. Interactive artworks surround you, exquisite style is reflected through every window, and the world's most iconic collection of museums and galleries are yours to explore.

# ZAYED NATIONAL MUSEUM

The magnificent centrepiece of the Cultural District celebrates the life of our founding father and tells the story of the UAE. A precious link between ancient past and modern day.

## GUGGENHEIM ABU DHABI

The first museum of its kind in the region, with a vision to spark interest in contemporary art, and provide a powerful new creative platform for artists around the world.

# LOUVRE ABU DHABI

An architectural masterpiece and international icon,  
where treasures from near and far, past, present and  
future, are admired together under a rain of light.

## THE ABRAHAMIC FAMILY HOUSE

The first-ever interfaith community  
in the UAE, where three religious  
spaces are connected, to encourage  
acceptance between Christianity, Islam  
and Judaism.

# NATURAL HISTORY MUSEUM ABU DHABI

This is where the history of life on Earth is told through unique collections and exhibitions, while scientists tackle some of the biggest challenges facing the world today.

A zen garden with sand ripples and a stone. The background is a close-up of a zen garden. On the right, a large, smooth, dark grey stone sits on a bed of sand. To the left, the sand is ruffled into concentric, wavy patterns that recede into the distance. The lighting is soft and natural, creating gentle shadows and highlights on the sand and stone.
